Quarterly Publication from Nantahala Bank & Trust Company

Happy 5th Anniversary, NBT!

Throughout the month of October, Nantahala Bank celebrated its 5th anniversary of providing quality financial products and services to Western North Carolina. This is a wonderful achievement of which we, the management, are proud to acknowledge. Over our five years, Nantahala Bank has grown to include three branches and a soon-to-be full service branch in Blairsville. We have employed some of the finest in our community and we take pride in our team.

In celebration of our fifth anniversary milestone, each branch hosted a special Customer Appreciation Event on Friday, October 2. Hot dogs, cake, balloons and special giveaways were given to customers.

As Nantahala Bank begins its next five years, rest assured that we will stay focused on the business of banking and will continue to grow for the benefit of our customers, community and shareholders.
