

LOBBY CLOSED

Due to the highly contagious nature of COVID-19 (Corona Virus) and our effort to not only protect our employees and customers, but to also do our part in minimizing the spread of the virus, we have made the call to temporarily close our lobby to normal traffic.

Our **Drive Through Lanes** continue to be open during regular hours and our **ATM** is available around the clock. Our full line of remote banking options is detailed below. We are also **available by phone** and can make **special arrangements if face to face transactions are needed**.
